## MEXICAN LEADER SAYS HE AGREES WITH PRESIDENT

General Angeles, Opposed to Huerta, Upholds Stand Taken By Wilson.

Washington, June 30.—The activities of prominent Mexicans now in the United States and others in connection with the Mexican political situation attracted much attention in official and diplomatic circles here today and caused renewed discussion of the possibility of peace in the southern republic.

Much interest also attached to a prospective conversation between General Carranza and Charles A. Douglas, his Washington counsel.

Mr. Douglas has gone to Vera Cruz presumably to impress upon Carranza the viewpoint of the American government as shown in a recent statement by President Wilson to the heads of the warring nations of Mexico.

General Angeles is quoted as saying that he was opposed to Huerta and all that he represented in Mexican politics and that he was in thorough accord with President Wilson that the Mexican factions compromise their differences.

## Alleged Accomplice of Murderer To Be Released On Bonds

Mitchell, Conn., June 30.—Arthur Placiffing, who was arrested by order of the coroner in connection with the investigation of the murder of County Commissioner Hubert B. Case, at Bethel, Conn., last November, for which crime Isaac N. Williams, of Bridgeport, and Harry E. Roe, of Poughkeepsie, N. Y., were recently sentenced to be hanged, will be released on bonds, probably today or tomorrow, he was learned today.

Following his detention by the coroner, a charge of theft was laid against him for breaking into a summer residence near Barkhamsted, and on the charge it is expected he will later be given a hearing. The bond is fixed at \$2,000.

King Constantine, of Greece, who has been seriously ill of pleurisy, is out of danger.

## SULLIVAN DOESN'T KNOW WHERE HE'LL GET OFF, HE AVERS

New York, June 30.—James M. Sullivan, American minister to the Dominican Republic, whose fitness to retain that position was the subject of an investigation last winter, arrived here today from Santo Domingo.

Mr. Sullivan declined to discuss the investigation.

"I am going to Washington tonight," he said, "to find out what it is all about. I don't know where I stand and will not know until I reach Washington."

## STOCK MARKET

New York, June 30.—Opening.—Further uncertainty was reflected in initial dealings on the stock exchange today with fractional declines in a number of leading shares. The low priced railways showed increased heaviness, Missouri Pacific falling to its low level of early in the year. U. S. Rubber was the only industrial to manifest strength, regaining 2 points of its recent severe loss. War shares were neglected, with a decline of a point in Goodrich. Reading soon recovered from its opening decline with general improvement elsewhere. Every important stock in the international list was lower in London, declines extending to a point in Canadian Pacific, St. Paul and Pennsylvania.

Noon.—Stocks continued to fluctuate irregularly during the dull first hour with increased apathy later. Reading, New York Central and Canadian Pacific were among the few railway issues to make any headway. Bethlehem Steel, crucible steel, General Electric, Westinghouse and Baldwin Locomotive rose 1 to 3 points. Rubber lost much of its advance but other active industrials, notably U. S. Steel, were firm. Further weakness in foreign exchange exercised a restraining influence. Bonds were heavy.

Federal agents are investigating the closing of building material plants in Chicago to determine if there is a basis for an anti-trust suit.

Neither the War nor the Navy Department was informed of the reported slide at Culebra Cut, and the report is believed to be exaggerated.

## SUES RIDGEFIELDER ON ALIMONY ORDER OF CHICAGO COURT

Rich Summer Resident Is Defendant in Action in Local Tribunal.

On the ground that alimony amounting to \$2,810 is due and unpaid, David Chidlow, a wealthy summer resident of Ridgefield, has been sued for \$3,000 by Minnie Chidlow of Chicago, Ill. Attorney Canfield S. Pullman of this city, brought the action and Chidlow's estate at Ridgefield has been attached.

Mrs. Chidlow says that the circuit court of Cook county, Illinois, on Aug. 13, 1912, ordered Chidlow to pay her \$75 alimony the first month following and \$100 every month thereafter. She claims Chidlow has not obeyed the court order.

## TRADE SHUTDOWN IN CHICAGO NEAR

Chicago, June 30.—A general shut down of all allied building construction and material interests will go in to full effect today or tomorrow, it was announced today. All plants are to remain closed until a settlement is reached with organized labor in the building industry. The order to shut down will throw out of employment more than 200,000 men, according to estimates. Several thousand teamsters engaged in hauling material for the building trades craft now at work, will be affected.

The general shutdown is intended to force the 14,000 striking carpenters who have been on a strike since May 1, to agree to a settlement by arbitration. The carpenters went out because they were refused wage increases of from 65 to 70 cents per hour.

## LEAVES ESTATE TO BUILD HIGHLAND LAKE BRIDGE

The residue of the estate, amounting to about \$10,000, is set aside for this purpose. It is provided also that if the town fails to construct the bridge within 10 years, the money is to go to the Litchfield County Hospital.

**BOOTH-ANDERSON.**  
 At 6:30 this evening at the parsonage in Laurel avenue, Mr. George Robert Booth, son of Mrs. Mary E. Booth, and Miss Minnie Anderson, daughter of Andrew Anderson of New Haven, will be married by Rev. Henry A. Davenport, pastor of the People's Presbyterian church. The bride wore white crepe de chine, with white hat and carried a bouquet of bride's roses. She was attended by Miss Estelle Carley who wore white satin and white hat and carried pink roses. The groomsmen were John Erbe, of the groom's family, and William E. Booth, of the bride's family, where a wedding supper was served.

**BUCKLEW-SCHMIDT.**  
 One of the prettiest home-weddings of the season took place today evening at 6 o'clock, at the home of Mr. and Mrs. Richard F. Schmidt of Stratford, when their daughter, Effie Frances, became the bride of Mr. Lester Warner Bucklew of Bridgeport. The bride was charmingly dressed in white crepe de chine without train, trimmed with silk lace. A veil, attached to a small cap with white sweet peas, hung so as to form a small train. She carried a large bouquet of bridal roses. Miss Anna Schmidt, a sister of the bride, was bridesmaid and wore a yellow crepe de chine gown trimmed with silk lace. As the color shew was yellow and white, the bridesmaid carried a bouquet of daisies tied with yellow chiffon. Little Miss Grace Schmidt, a niece of the bride, was flower girl and carried a basket of daisies and yellow nasturtiums. The groom was attended by his nephew, Clifford Hubbard of Bridgeport. The room was decorated with daisies and ferns. The bride and groom stood under an arch of roped daisies.

The bride's party entered the room to the strains of the wedding march from Lohengrin, rendered by Miss Fanny Schmidt, a sister of the bride on the piano, accompanied by Mr. Erie Bucklew, a nephew of the groom, on the violin. The bride entered on the arm of her father, preceded by the bridesmaid and flower girl. The Rev. Henry E. Kelly of St. George's church, where the bride is a member, officiated. The full Episcopal service was used with exchange of rings. The bride and groom received many beautiful gifts of furniture, cut glass, silver, china, linen and money.

The bride received her bridesmaid with a pearl lavalier and chain, the flower girl with a gold heart and chain, the pianist with a pearl lavalier, the violinist with a stick pin. The groom presented the best man with a pearl stickpin.

Lunch was served by about ten of the bride's intimate girl friends. About 125 friends and relatives wished Mr. and Mrs. Lester-Bucklew much happiness in their new life. The guests present were from Hackensack, N. J., New York city, Danbury, Bethel, Norwalk, Fairfield and Bridgeport. The bride and groom are both very popular in Bridgeport.

Mr. and Mrs. Bucklew left by auto for a honeymoon, the whereabouts unknown to friends.
